Re: 2007 Officials Availability

Dear AAYFL Officials and Crew Chiefs:

Our 2007 league schedule is now in the process of being developed. With this in mind I wanted to get out our availability form to the officials to expedite the assigning process once the schedule is approved.

Please complete the enclosed availability form and returned it no later than April 1, 2007. After this time new crews will be considered in the assigning process. If it is at all possible we would like to be able to contact our officials via email. If you do not have an email address, perhaps someone on your crew has one and could receive information for the crew and get it to you. Once games are assigned I will get out contracts to the Crew Chiefs.

The AAYFL will again be providing a stipend for Crew Chiefs who are willing to fulfill the necessary requirements, as stated on the availability form. We have been fortunate to have many Officials in our league that have shown a high degree of professionalism and a helpful attitude to the benefit of our players and coaches.

As of this date, we are planning the required meeting of Crew Chiefs with the league members, for Monday, July 30th. This will be the only date to fulfill the Crew Chief stipend requirement to meet and discuss rules with the membership.

Discussion will take place at our March 12th league meeting concerning officials, both in the area of pay and numbers of officials per game. Discussion will focus on the amount of pay per game or an increase in the number of officials per game or a combination of both.

Please return your availability before April 1st. I want to make sure our past officials get on the list before any new groups. Thank you for your time and commitment to our league.
